

Bundlefi

PERFORMANCE DELIVERED

New account growth solution for community financial institutions. Bundlefi delivers qualified consumers directly to your online account opening platform.

- Consumers actively looking for a community financial services institution
- I.D. Verified
- Fraud Screened
- Geographic specific

HOW IT WORKS

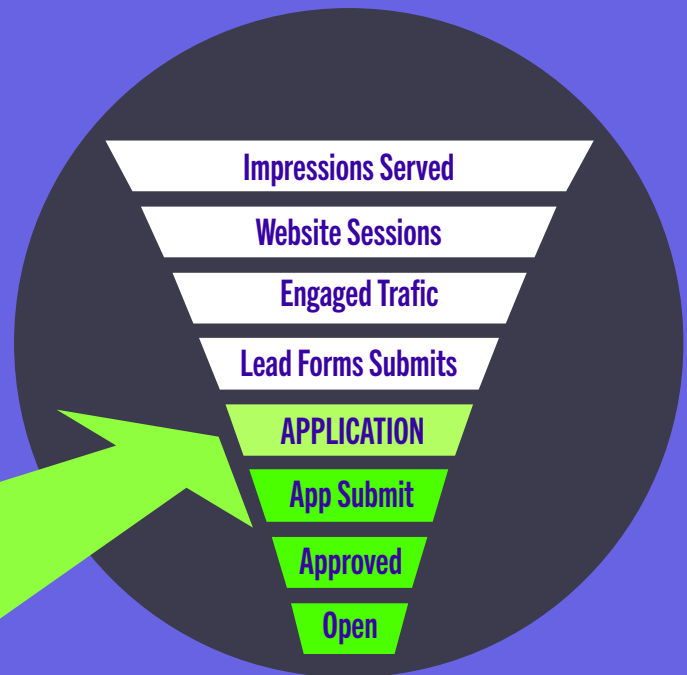

1 Leverage our integrated marketing platform to actively engage consumers who are actively looking to open an account with a community financial institution.

2 Data drives results. Bundlefi invests in data to better understand and engage consumers who are the best fit for your products and services.

3 Geographic focus. With Bundlefi you can specify the geographic area that matters most to you, making the most of your marketing investment.

THE FASTEST PATH TO QUALIFIED PROSPECTS

Bundlefi delivers leads directly to your online account opening experience for \$50 per lead delivered.
